

# AIRPORT TRANSFER

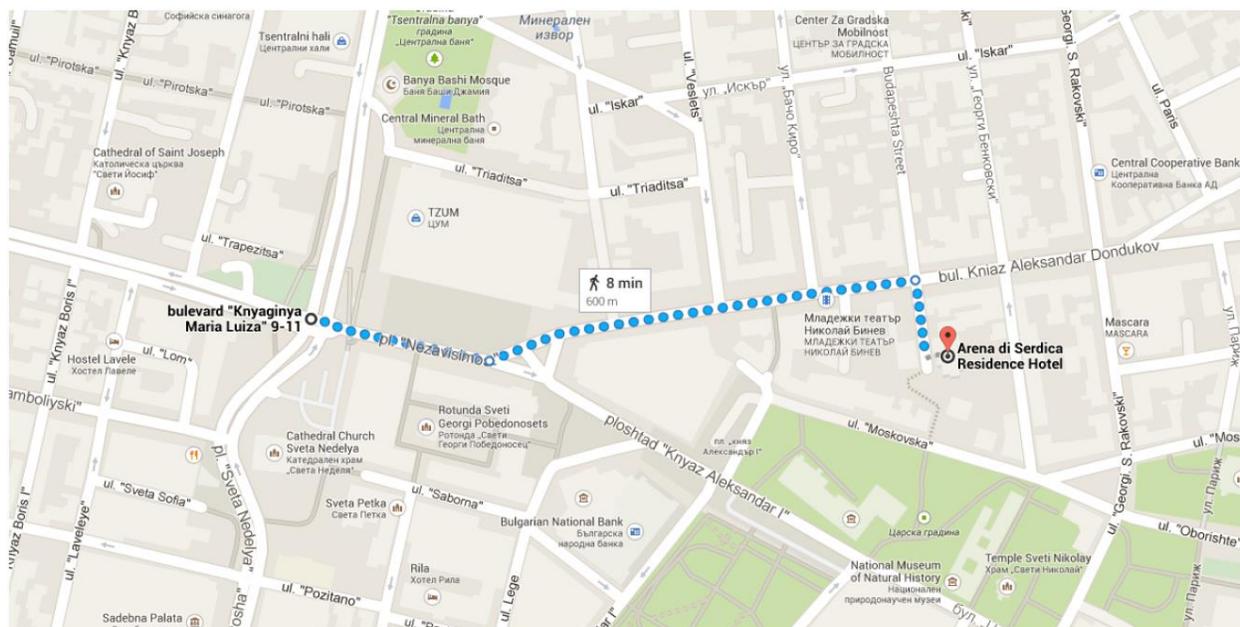

There are few options to get to and from the airport. For general information, check: <https://www.sofia-airport.bg/en/passengers/and-airport>.

For more detailed information on the transfer to and from Hotel Arena di Serdica (venue and accommodation) see below.

## 1. Public transport.

Since April 2, 2015 there is a **direct line of the metro that connects Sofia Airport with the city center**. The metro station is located at Terminal 2 of the airport and it is the last station of the line. To get to the meeting venue, you should take metro to **Serdika (Сердика) station**.

From Serdika station (bulevard "Knyaginya Maria Luiza" 9-11) you can walk to the hotel for about 10 min (see map below and [instructions in the attached document](#)), <https://www.google.bg/maps/dir/42.6977616,23.321714/Arena+di+Serdica+Residence+Hotel,+Budapeshta+Street,+Sofia/@42.6967402,23.3246391,17z/data=!4m9!4m8!1m0!1m5!1m1!1s0x40aa845c3c4d7263:0xc35b4d4bb9cd67f3!2m2!1d23.328315!2d42.697454!3e2>

The **price** of the ticket for public transport in Sofia is **1.00 lev** (1.00 lev = 0.50 EUR), both for bus and metro.

### **IMPORTANT!**

**A ticket is validated for transportation of a passenger or baggage after punching it on the bus (for traveling in bus and tram only). It can be bought from the driver or from the bus station (if there is a kiosk).**

**A ticket for the metro can be bought from its entrance.**

## **2. Taxi.**

For information on the taxi service at the airport check:

<https://www.sofia-airport.bg/en/passengers/and-airport/private-transport>.

The official airport taxi operator is **OK Supertrans (OK Супертранс)**. The operator has a kiosk at the Arrivals area of the airport, where you can order your taxi to the hotel (see picture below).

A taxi from the airport to the hotel should cost about 8-10 EUR (9-11 USD).

### **IMPORTANT!**

**DO NOT use taxi services offered outside the office of the taxi operator or in front of the terminal to avoid the risk of abuse! It can be VERY expensive!**

**DO NOT trust anyone who comes to you and offers you a taxi within the airport building! The official operator DOES NOT have such practice!**

### **3. Hotel shuttle transfer.**
